## PARKING UPDATE!

Parking can be frustrating and complicated here at UC-CCM Prep. We'll do our best to make it as simple as we can.

### PARKING PASSES:

You can purchase value passes for parking in the CCM garage. It's a great value - \$40 for 25 hours of parking. You must be a registered Prep student to receive it. We send all the names to parking services. Go to our website at [www.ccm.uc.edu/prep](http://www.ccm.uc.edu/prep) and find the link to order online your pass.

A reminder that IF the parking gate bar is in the up position as you go out, still swipe your value pass. If you don't, the counter will think you are still in the garage and you will run out of time.

The parking booth will soon be unmanned. Your credit card or money can be used in the payment machine. This makes the value pass even more valuable. It will save you time and money!

### HOME FOOTBALL GAMES:

Two hours prior to kickoff time for football games, Corry Blvd is one way in only, up until approximately ½ hour after kickoff. During that time, all traffic is directed to exit from the CCM Garage/Area via Backstage Drive to Corbett to Calhoun St.

**A heads up for Saturday, September 26.** The kick off for the football game is 12pm. Beginning at 10am that day until approximately 12:30pm, there will be one way only INTO CCM on Corry Blvd. Parking attendants will allow students/parents in if they have a value pass or to drop off their student. Students who need to be picked up from class between 10am and 12:30pm will have to do that in the upper circle by PCT off Calhoun. We will have signs and flyers this Saturday to inform parents.

We will close on October 24, for Homecoming to avoid major parking problems. The other Saturday home game is November 7, but the kickoff time has not been published. Keep tuned.

### CAR PROBLEMS?

If you are in the garage and you have car issues, please call the UC police at 556-1111 or pick up the blue help phone in the garage. The UC motorist assistance van will come and assist you.

If you have any other concerns, please call us at 513-556-2595 and we'll try to help you out as best we can.
